CARBON DIOXIDE REMOVAL (CDR) INTEGRITY WORKSHOP

This workshop has been conducted by Dr. Vasilije Manovic, a professor of Carbon System Engineering in department of Chemicals and materials in KFUPM, and it was focused on Monitoring, Reporting, and Verification (MRV) strategies in CDR technologies. This workshop also provides an opportunity for students preparing for the SMART-CDR competition to deepen their understanding of MRV system.

Date of Workshop:
Thur, 5 Sep. 2024

■ ASPEN HYSYS ACADEMIC CERTIFICATE

We opened the registration for Aspen HYSYS Academic Certificate Exam Which Will be held in Thursday, 21 November, 2024. Following this, we are going to conduct four online help sessions to help students prepare fo the exam. The deadline for registration has been set to 30 September, 2024.

You can see the announcement for the registration in the following link: [Aspen HYSYS Registration](#)

Aspen HYSYS
Academic Certificate Exam

Help sessions will be held to prepare for the exam (details in the link)

Date of Visit:
Wed, 18 Sep. 2024

■ FEMALE SITE VISIT TO KBR

The first site visit of this semester for female students was successfully organized, with twenty students visiting KBR's office in Khobar. This visit was made possible through the successful collaboration with the KBR team, ensuring a valuable experience for all participants.

You can see a short video of the visit in the following link:

MALE SITE VISIT TO WOOD

Date of Visit:
Mon, 30 Sep. 2024

A group of students have visited Wood's office in Khobar to gain insights into the major projects managed by the company, acquire practical experience, and engage with leading engineers in the company. The visit was highly successful, attributed to the dedicated efforts of Wood's team, who ensured it was a meaningful and valuable experience for all participants.

رؤية
VISION
2030

We placed a special mirror for the students to celebrate the 94th Saudi National Day with the students. The students have taken photos of the mirror as part of celebration of Saudi National Day in the university.

You can see the tweet about this activity in the following link:
